***Your unmotivated decision of March 28, 2013, concerning the application  
37931/12 of François Légeret***

*Mr. Vučinić,*

*Together with 17 other partners in the judicial crime against François Légeret, your boss, Guido Raimondi has received by registered mail of May 17, 2016 a copy of the book L'affaire Légeret – Un assassin imaginaire by Jacques Secretan, May 2016, Editor Mon Village. This book is providing evidence of the innocence of Mr. Légeret, condemned to lifelong imprisonment and jailed already since 10½ years. These persons did have the opportunity to offer amend. However, their cowardness is preventing them to assume responsibility.*

*Ten other «judges» did charge themselves in this affair as well with guilt. You are one of these individuals. According to your dirty habits at the European Court of Human Rights – the worldwide biggest factory of injustice – you have declared the mentioned application to be inadmissible, without any motivation, therefore violating article 45 of the ECHR (the duty of motivation).*

Nebojša Vučinić

*Here the 9 remaining guilty judicial officers, reading me in copy:*

*Corinne Ingold, Assessor at the court of Vevey VD  
Roland Hofmann, Assessor at the court of Vevey VD  
Geneviève Châtelain, Assessor at the court of Lausanne  
Jean-François Vuilleumier, Assessor at the court of Lausanne  
Sandra Rouleau, Vaudois cantonal «judge»  
André Jomini, Vaudois cantonal «judge»  
Caroline Kühnlein-Hofmann, Vaudois cantonal «judge»  
Niklaus Oberholzer, Swiss federal «judge»  
Yves Rüedi, Swiss federal «judge»*

*Enclosed with this mail, all will receive a copy of the book by Secretan. One must not lose hope that one of you will publicly confess to have failed by destroying the destiny of François Légeret, **without any proofs!***

*As all «judges» in Strasbourg, you have ambushed yourself with your evil practice to reject 98% of the 60'000 incoming complaints/year without reading them! It is irrational to believe that as many querulous persons were in circulation, not knowing to differentiate good from evil. Your practice has ambushed you all at the European Court of Human Rights, because the whole world will end up to understand that your court is a tremendous fraud.*

The European Court of Human Rights – the greatest factory of injustice worldwide

*Hoping to receive the confession of at least one of you, bringing the suffering of François Légeret to an end, I remain sincerely yours,*
