Mister Oberholzer, Politruk of the Swiss Army and federal bailiff,

The Vaudois Newspapers has lately reported that the Survey Authority of the Federal Prosecutors' Office, presided by you, appointed the VD Attorney General **COTTIER Eric** as an extraordinary Federal Prosecutor to conduct an investigation concerning the former Swiss Ambassador in Kenya, Jacques PITTELOUD and the Attorney General of the Confederation, **Michael LAUBER\***. This case is obviously related to the story of the KAMANI family, oligarchs of Kenya:

[www.worldcorruption.info/index\\_htm\\_files/2016-10-17\\_aargauer\\_zeitung\\_tiefe\\_fall\\_pitteloudt.pdf](http://www.worldcorruption.info/index_htm_files/2016-10-17_aargauer_zeitung_tiefe_fall_pitteloudt.pdf)

[www.nzz.ch/meinung/kommentare/strafverfolgung-der-bundesanwalt-ist-kein-Superman-ld.125676](http://www.nzz.ch/meinung/kommentare/strafverfolgung-der-bundesanwalt-ist-kein-Superman-ld.125676)

*The Deepak, Chamanlal and Rashmi KAMANI brothers are said to have cashed bribery money which Swiss multinational companies distributed to them in the context of the Anglo-Leasing scandal. This is not surprising in my view as a former professional manager of the exporting industry, also if I do not know that case in all its details. What is however staggering is to hear that, jointly with the Diplomat PITTELOUD, **LAUBER\***, the chief engineer of corruption on behalf of the Swiss oligarchs – see*

[www.worldcorruption.info/index\\_htm\\_files/gu\\_2016-06-03\\_Lauber\\_e.pdf](http://www.worldcorruption.info/index_htm_files/gu_2016-06-03_Lauber_e.pdf)

*– who has just fired one of his prosecutors because of his too active investigations on the PETROBRAS case (the FERRAYÉ money laundering case in Switzerland), played at giving lessons in ethics to the Africans, as if he were an exemplary missionary. One of the KAMANI brothers took revenge by filing a complaint for attempted blackmail against PITTELOUD. Since **LAUBER\*** cannot investigate on his own case, he had to appoint a «neutral and independent investigator» such as the Swiss are used to proceeding. So you did indeed select **COTTIER**.*

*You know your crony **COTTIER** perfectly well. He is the prosecutor who deserves to be registered in the Guinness Books of records for having successfully condemned two innocent men to long prison sentences:*

*1. François LÉGERET. See the book Affaire Légeret – Un assassin imaginaire by Jacques SECRETAN, Editor Mon Village, 2016;*

*2. Laurent SÉGALAT. See the 4 books: Le procès SÉGALAT – Un acquittement contesté by Jacques SECRETAN, Editor Mon Village, 2012; L’affaire SÉGALAT by Ian HAMEL, Editor Belvédère, 2013. Nuits blanches d’une robe noire by Gilles-Jean PORTEJOIE, Editions du Moment, 2015. Une condamnation bâtie sur du sable – L’affaire Ségalat by Jacques SECRETAN, Editor Mon Village, 2015. The Unmasked «Constitutional State» by Gerhard ULRICH, Editor Samizdat, 2016.*

*You, Mister **OBERHOLZER**, shall be sadly known for having confirmed these two above-mentioned condemnations in your position as a Swiss federal Judge, also if your accusation file was based on nothing besides perhaps a castle in the sand. I designated you therefore in the past as a «useful idiot» at the Swiss Federal*

*Court. I sent you in any case my book The Unmasked «Constitutional State» by registered mail on February 29, 2016, as well as that by Jacques SECRETAN called Affaire Légeret – Un assassin imaginaire also by registered mail on June 17, 2016. Consequently, you are perfectly well informed on **COTTIER** and you know that he is a highly objectionable magistrate. You have thus lost the bonus of being considered a naïve ignorant.*

*I don't know **COTTIER**'s motive for having committed the judiciary crime at the costs of Laurent SÉGALAT. It was perhaps just the sheer lust to commit a crime in full impunity. In contrast, the motive of his crime at the costs of François LÉGERET is evident:*

*The moneys of the late Charles LÉGERE's heirs amounted to some 30 to 40 million Swiss francs. Having succeeded in having the adopted son François LÉGERET condemned to a lifelong imprisonment, he was declared unworthy of inheritance. Subsequently, the only other official survivor of the family, the Freemason and architect Jean-Marc LÉGERET, who had in fact been disinherited by his own mother and was therefore no longer a heir, largely benefited from **COTTIER**'s doings and has today become the only heir of this considerable amount of money. So we might as well call Jean-Marc LÉGERET and **COTTIER** two good cronies. This said and in view of the cited published works, all the elements are fulfilled to mention Article 312 of the Swiss Penal Code which condemns the abuse of authority for which you are a partner in crime. The LÉGERET case is thus a Freemason plot.*

*In the canton of Vaud, the Freemason **COTTIER** has systematically delved in other corrupt practices such as shown in the following examples:*

[www.worldcorruption.info/index\\_htm\\_files/gu\\_schneider-e.pdf](http://www.worldcorruption.info/index_htm_files/gu_schneider-e.pdf)

[www.worldcorruption.info/eng/gutknecht.htm](http://www.worldcorruption.info/eng/gutknecht.htm)

[www.worldcorruption.info/index\\_htm\\_files/gu\\_colelough-e.pdf](http://www.worldcorruption.info/index_htm_files/gu_colelough-e.pdf)

[www.worldcorruption.info/index\\_htm\\_files/gu\\_winzap-e.pdf](http://www.worldcorruption.info/index_htm_files/gu_winzap-e.pdf)

[www.worldcorruption.info/index\\_htm\\_files/gu\\_sauterel-e.pdf](http://www.worldcorruption.info/index_htm_files/gu_sauterel-e.pdf)

[www.worldcorruption.info/index\\_htm\\_files/gu\\_krieger-e.pdf](http://www.worldcorruption.info/index_htm_files/gu_krieger-e.pdf)

*In order to have the necessary margin to operate this corruption without being bothered by a should-be informed public opinion, the hidden Swiss oligarchs are using **COTTIER** to maintain a censorship whose magnitude and sophistication can be observed nowhere else on this planet. See*

[www.worldcorruption.info/index\\_htm\\_files/gu\\_nicolet-e.pdf](http://www.worldcorruption.info/index_htm_files/gu_nicolet-e.pdf)

*The irony of this success is that the honest Swiss citizens ignore that they are being censored in a permanently and diligently manipulated way by their oligarchs.*

***OBERHOLZER***, you are knowingly cooperating with ***COTTIER*** whose criminality needs are not to be proven over and over again. You are thus operating in a premeditated way to delve corrupted practices in this country in favour of its few privileged oligarchs.

*Just like you, Giorgio BOMIO, another member of your Survey Authority of the Federal Prosecutors' Office, is acting in full awareness of the situation : In his quality as a «Judge» of the Penal Federal Court, he is one of the authors of the BB.2016.331 decision of September 19, 2016, which implies that he knows all about my letter addressed to ***LAUBER***\**:

[www.worldcorruption.info/index\\_html\\_files/gu\\_2016-06-03\\_Lauber\\_e.pdf](http://www.worldcorruption.info/index_html_files/gu_2016-06-03_Lauber_e.pdf)

*BOMIO therefore also delves corrupted practices supported by Swiss oligarchs.*

*The author of these lines doesn't know about the remaining members of your Survey Authority, namely Isabelle AUGSBURGER-BUCHELI, Véronique HÄLG-BÜCHI, François A. BERNATH and Hanspeter USTER – whether they are conscious of the corruption which is plaguing our country or if they are naïvely being misled. In the first case, they shall one day be denounced and pursued by the penal court and, in the second case, they must abdicate because of incompetence.*

***Conclusion from what precedes:***

***The hidden Swiss oligarchs have set up a system which is granting the Prosecutors' Office of the Swiss Confederation to dysfunction in delving corrupted practices in their favour. There is only one option left to re-establish the Constitutional State : to fire immediately all the clerks of this «public service», which will result in saving a considerable amount of money, and putting an end to judiciary crimes and in ceasing to oppress victims !***

*It is all up to you, Mr. ***OBERHOLZER****

***Gerhard ULRICH***

***\* In order to boost ***Michael LAUBER***'s reputation which has gone down a great deal, the hidden Swiss oligarchs are running a disinformation campaign. For example, the sulphurous Christoph BLOCHER***

[www.worldcorruption.info/corruption\\_ch.htm](http://www.worldcorruption.info/corruption_ch.htm)

*to name one of the oligarchs, has produced a pathetic and touching interview on **Michael LAUBER**, the son of a pastor through his mouthpiece the scribbler Roger KÖPPEL – which he has put on line with his Newspaper Die Weltwoche. See:*
