for corruption and fraud**

Mister **KOLLY**,

Ladies and Gentlemen Federal Judges,

Since 2001 the corruption and the frauds of your Rotarian brother SCHNEIDER are denounced on Internet. In parallel, about 200'000 flyers have been distributed throughout Switzerland concerning him. He is the only Swiss Magistrate, of which the corruption can be demonstrated by documents (see above mentioned Web sites).

All national Councillors, Swiss Senators and Federal Councillors acting since 2001 have been briefed. 4 formal denunciations have been filed with 4 different Federal Councillors:

- June 21, 2004 to the Federal Councillor Christoph BLOCHER
- May 24, 2010 to the Federal Councillor Eveline WIDMER-SCHLUMPF
- January 15, 2013 to the President of the Confederation Ueli MAURER
- August 20, 2016 to the Federal Councillor Simonetta SOMMARUGA, see

www.worldcorruption.info/index_htm_files/gu_2016-08-20_sommaruga_schneider-e.pdf

Let's remind that corruption and fraud are crimes to be pursued ex officio.

Of course, the dark room of the Nation (the triangle Office of the federal investigating Judges – Federal Prosecutors' Office – Penal Federal Court) were as well alerted many times.

Result up to date: The famous omertà helvetica kept tight, as well thanks to the deployed censorship respected by the Mass Media!

This time, I address the denunciation personally to all 152 actually acting federal Judges according to the enclosed lists (in 2000 there were only 38!). If this denunciation will not show any useful follow-up until December 15, 2016 to be reported to the undersigned, I shall be legitimated to conclude that all federal «Judges» do protect their Rotarian brother SCHNEIDER at the costs of his victim, the architect ETH Erhard KELLER. Henceforward, we, the victims of this irredeemably degenerated judiciary system will be in our right to challenge all these federal Judges in corpore. A power which is permanently violating the federal constitutional order (fairness and equal opportunities, equality before the Law, the plea of good faith) is losing the legitimacy to exist.

The tyranny of the hidden oligarchy (Freemasonry, Service Clubs as the Rotary, Lions, Kiwanis, Ambassador Club etc., the Zofingians...) who are manipulating the Swiss population will be unmasked as well in this case, as it has been already unmasked e.g. in other cases:

Quod erat demonstrandum.

Sincerely yours

Gerhard Ulrich
