Denunciation of the cantonal «Judges»
Christophe MAILLARD, Joël KRIEGER, Guillaume PERROT,
of the «Prosecutor» Stéphane COLETTA,
of the «Judge» of peace Martine MOTTIER
for abuse of authority and membership to a criminal organization
and of Jean-Yves PIDOUX, M.P./responsible of CITYCABLE for
illegal censorship according to article 49 of the Telecommunication Law

To you, COTTIER,

Again, I address to you in your quality as a mailbox this complaint,
since I have challenged all Vaudois Magistrates, including you.

Present situation in the canton of Vaud :

You, **COTTIER**, you cover systematically corruption cases throughout the canton
of Vaud in favor of the Illuminati. Examples: The Freemason plot for condemning
the innocent François LÉGERET to lifelong imprisonment

www.worldcorruption.info/index_files/gu_2016-11-18.oberholzer-e.pdf

and other extremely serious corruption cases:

www.worldcorruption.info/index_htm_files/gu_colelough-e.pdf

As a consequence, you are the stage Manager of the State Banditism in this canton. For that reason, I did challenge you and all your malefactor companions by registered letter of October 5, 2016. With the above indicated cases, it is irrefutably demonstrated that the Vaudois Magistrates are infected and dominated by the Freemasonry.

Denounced facts :

Passing beyond, your henchmen at the cantonal court MAILLARD, KRIEGER and PERROT did have the guts of making the bad joke to reject the mentioned challenge by abusing of their authority in an organized gang, by their decision 678 of November 21st 2016 (copy enclosed). The maneuvers of MAILLARD, KRIEGER and PERROT to cover the illegal censorship of the Web were anyway already denounced in the dossier contained in my filing of October 5, 2016, i.e. enclosure 2, published on Internet under the link :

www.worldcorruption.info/index_htm_files/gu_nicolet-e.pdf

*These Judges acted in their egostic interest, by rejecting my challenge, concerning among others your person, COTTIER, for recuperating their Godfather, hoping to escape themselves the prosecution ex officio to come. In addition, KRIEGER did realize the State banditry at the costs of Werner **RATHGEB**. The mobile of that Trio to commit this crime was thus purely egoistic, attempting to avoid penal prosecution. Themselves challenged, they are not any longer legitimated to exercise their function, since they are unworthy and outlaws. One day, they will be made liable for their crimes.*

*Stéphane COLETTA, «Prosecutor», did as well abuse of his authority, by producing his penal / closure order of November 24, 2016 (copy enclosed), ignoring stubbornly my challenge of all Vaudois Magistrates, and in addition as well my penal complaint filed against him on **October 11/2016** directed against him. It is inconceivable that a Prosecutor facing a penal complaint and a challenge continues to harass the plaintiff ULRICH, as if the criminal organization within the Vaudois Magistracy did not exist. His partiality is too obvious.*

I denounce the «Judge» of peace Martine MOTTIER for abuse of authority and membership to a criminal organization. In a closed system of malefactors, the prebends are for sure reserved to those «magis-rats» who are loyal to the «honorable society». MOTTIER has produced her release decision concerning

me on October 26, 2016 (copy enclosed), and when informed by my letter of October 11th, 2016 of the challenge of all Vaudois Magistrates, including MOTTIER, she had the nerve to pretend by mail of November 16, 2016 (copy enclosed) to be entitled to proceed that way, in contradiction to any common sense. She did as well abuse of her authority in an organized gang.

Finally, I file a complaint against Jean-Yves PIDOUX, M.P. and responsible for the Internet access Provider CITYCABLE for illegal censorship of the Internet, violating article 49 of the Telecommunications Law. PIDOUX did apply the censorship of the Web Site www.worldcorruption.info (where I am presently publishing) on the only basis of an order of COLETTA, which is by no means a definitive and enforceable court decision. Proof: besides the boot-lickers of the hidden Oligarchs at SWISSCOM and CITYCABLE, no other Provider of Internet Access did care about that abusive, anticonstitutional and penally reprehensible order of COLETTA of October 24, 2016. By that fact, PUIDOUX covers the corruption in this canton. This is demonstrating simultaneously the non-existence of the separation of powers.

Your look (see google «Eric Cottier images»), your faked affability and your «bon vivant» way of life are misleading the Vaudois. Your real character is expressed in your crimes committed for example at the costs of François LÉGERET, Laurent SÉGALAT, Erhard KELLER, Jakob GUTKNECHT, Michèle HERZOG, Werner RATHGEB etc, etc.

*Plenty of people throughout Europe, including all Members of the Council of Europe have been informed of your crimes, realized as the Stage Manager of State Banditry in this canton of Vaud. In private conversation, many Members of Parliament say that you are unworthy. However, it seems that the hidden Oligarchy is still manipulating our elected politicians. Certain Members of Parliament take of course advantage of the largely spread corruption. But the other ones will be forced sooner or later to react vigorously. In their position, I would request instantly to kick you out, and if it cannot be achieved to reestablish the Constitutional State, they shall resign for preserving their honor. **The liability of the political parties is anyway engaged.***

To you, COTTIER, who will have to pay one day the enormous damages you have caused.

Gerhard ULRICH
