**Denunciation against **Eric COTTIER**, «Attorney General»  
of the Canton of Vaud for abuse of authority, function usurpation  
Request to invalidate the Lex **COTTIER****

To you, KIPFER-FASCIATI,

By registered mail of February 26, 2016 I sent to **COTTIER** my book The  
Unmasked «Constitutional State » (editor Samizdat, 2016). He did honour me  
with a letter of insults and threats on **March 16, 2016**, having the merit for the  
reader to understand instantly the IQ of this Gentleman (*enclosure 1*).

Since June 2016, I resumed to publish my observations of the judiciary  
dysfunctions on [www.worldcorruption.info/ulrich.htm](http://www.worldcorruption.info/ulrich.htm)

Living in the Canton of Vaud, my denunciations are concerning priority wise this  
Canton, thus its Attorney General **COTTIER**.

Indeed, since 2007 his subordinated Prosecutor, named **Yves NICOLET**, in the  
meantime promoted to the position as a federal Prosecutor, did censor illegally  
my Internet sites by a secrete procedure, using the illegal and highly poisonous  
practice of the double file: one accessible for the accused, and another, more  
voluminous one exploited exclusively by the henchmen for hiding all elements

*uncomfortable for them. Subsequently to a blunder of a clerk, some pieces of this secrete censorship file ended up incidentally in the dossier accessible to me. I discovered thus in 2016 that this censorship = repression of the freedom of expression for denouncing the judiciary irregularities had been very probably ordered, but for sure supported by **COTTIER** and other Magistrates. Evidence see [www.worldcorruption.info/index\\_htm\\_files/gu\\_nicolet-e.pdf](http://www.worldcorruption.info/index_htm_files/gu_nicolet-e.pdf)*

***COTTIER** had an obvious interest that his judiciary crimes were not unveiled on the Web. On March 22, 2016 I filed a complaint against **NICOLET** for violation of article 49 of the Telecommunications Law and abuse of authority, doubled by my complaint of Oct. 5, 2016:*

*[www.worldcorruption.info/index\\_htm\\_files/gu\\_2016-10-05\\_cottier-e.pdf](http://www.worldcorruption.info/index_htm_files/gu_2016-10-05_cottier-e.pdf)*

*This was combined with a well-motivated request of challenge of all Vaudois Magistrates. They are not any more worthy to exercise their functions.*

*I felt as well obliged to file a complaint against the successor of **NICOLET** :*

*[www.worldcorruption.info/index\\_htm\\_files/gu\\_2016-10-11\\_cottier\\_censure-e.pdf](http://www.worldcorruption.info/index_htm_files/gu_2016-10-11_cottier_censure-e.pdf)*

*Advancing in my investigations, I finally fell on an utmost serious affaire, proving that the whole Vaudois judiciary apparatus has degenerated to become a criminal organization: [www.worldcorruption.info/eng/gutknecht.htm](http://www.worldcorruption.info/eng/gutknecht.htm)*

***COTTIER** is the stage director of this State banditism:*

*[www.worldcorruption.info/index\\_htm\\_files/gu\\_2016-12-03\\_cottier-e.pdf](http://www.worldcorruption.info/index_htm_files/gu_2016-12-03_cottier-e.pdf)*

*Ignoring the challenge of all Vaudois Magistrates, **COTTIER** has mandated by letter of **December 23, 2016** his subordinate Prosecutor Roxane MAGNENAT, for investigating my complaint directed against **NICOLET** and his partners in crime, including **COTTIER** (*enclosure 2*). I protested against this bad joke on December 27, 2016. After all, **COTTIER** is not allowed to select one of his aides-de-camp out of his criminal organization for investigating against the same **COTTIER**. However, by letter of **January 3, 2017** this stage director of State banditism insisted (*enclosure 3*): « ...my competence... is given... », invoking a decision of his cronies at the cantonal court VD of October 26, 2016, notified on December 21, 2016, delivered by Magistrates who were at their turn challenged, and who passed beyond by dealing themselves with their personal challenge. Anyway, that decision of October 26, 2016 is not at all enforceable, but will be the subject of a recourse to the Federal Court in its quality as a Depositor/letter box, being at its turn challenged in corpore:*

*[www.worldcorruption.info/index\\_htm\\_2016-12-21\\_meyer-e.pdf](http://www.worldcorruption.info/index_htm_2016-12-21_meyer-e.pdf)*

***The order of **COTTIER** to his subordinate MAGNENAT is thus based on a Lex **COTTIER** without any legal basis. It has to be invalidated instantly.***

*This denunciation for abuse of power etc. is addressed to you in your quality as a Depositor, the Federal penal Court being challenged as a whole as well.*

*To you, KIPFER-FASCIATI*
