To all Vaudois citizens

The State of Vaud – A Democracy under control of the Oligarchy

Igor SANTUCCI, Secretary General of the Vaudois Parliament knows to obey to the Vaudois Oligarchs, being obviously bribed by them.

By Mail of March 17, 2017, indicating my above mentioned present address in Morges, I filed a Petition in relation with the affair
www.worldcorruption.info/eng/gutknecht.htm

*Igor SANTUCCI thought that he could stigmatize me by **replying to my jail address**, valid 7 years ago, having been imprisoned during 4 years, sentenced by corrupt Vaudois Judges, among others in the High Security Prison of Bochuz:*

As other victims of the irredeemably degenerated Vaudois judiciary apparatus, – the same situation is prevailing in other Swiss Cantons and on the federal level, – I am proud to have the status of a political prisoner, and to demonstrate once again the shortcomings of the Vaudois judiciary system, corroborating that Vaud is actually a failed State.

By his behaviour, Igor SANTUCCI is just demonstrating finally his condition as a servant of the corrupt Vaudois Administration which is feeding him.

*But who to hell is finally Igor SANTUCCI? He has been elected Secretary General of the Vaudois Parliament on January 20, 2015 (previously, he had never had any political activities) after a troublesome assembly, during which its President at that time **Jacques NICOLET** had requested the continuation behind closed doors*

(sic !). But watch out, one has to have a look first of all at his wife, Khani SANTUCCI-HAMDAOUI whose relations via the Commercial Registry with the members having shared the money laundry of the royalties due to FERRAYÉ are established... According to a report of the 24 Heures of March 6, 2015, Igor SANTUCCI is always starting his confidences by first presenting his wife...

*For denouncing the Vaudois Parliament and Government under control of Oligarchs guided by the Freemasonry, acting against Democracy, we had launched our mobile communication vehicles for demonstrating the crimes of the hidden societies. Nothing more was necessary to alert the criminals. On April 5 2017, the Freemasons **Jacques ANTENEN** and Philippe DESARZENS, commanders of the Gendarmerie VD respectively of the regional Police of Morges did let our campaign tool sneakily disappear:*

The Vaudois regime can be compared with that one of ERDOGAN in Turkey, with that difference, that no journalist is revealing here the scandal of the repression of the freedom of expression www.worldcorruption.info/elections.htm

It goes without saying that we will request the cancelling of this electoral farce. It is safe as Amen in the church that the perjured Vaudois judiciary apparatus will get rid of this complaint. But our civil pretensions for the caused damages may be a headache for the future cantonal budgets of the future....

We invite the Vaudois to mobilize for granting the rights of Democracy and to put an end to the filthy secrete regime.
