*Dear Mrs. PARMELIN, Dear Mr. Federal Councillor PARMELIN,*

*On August 31 2002, the Freemason Claude BUDRY set fire to the farm of his neighbor Jakob GUTKNECHT and his own adjacent house at Nonfoux VD/CH. Subsequently, GUTKNECHT has been wrongly condemned for alleged negligence. Four scientific expertises have excluded any fault concerning the storage of badly dried hay, which could have resulted in its self-ignition.*

*However, BUDRY cashed in > 2 millions of CHF in insurance idemnities. With this embezzled money, he has had a castle built for himself. Since we were denouncing this Freemasonic plot on the Internet, as well as by a massive distribution of flyers, BUDRY filed a complaint for alleged infringement of his honour, and I am now facing a court procedure. Consequently, let's celebrate my 14<sup>th</sup> penal trial!*

*This time as well, the discipline of the secret societies, protecting their members, will leave the Judge Véronique PITTET no other other choice than to condemn ULRICH, in spite of the truth, which should result in an unequivocal exoneration. PITTET will simply barricade herself behind the excuse of the enforced condemnation at the cost of GUTKNECHT (res iudicata). This is nothing other than a forged document, since the first Judge had refused to mandate experts, specialized in this matter. This means that pen pushers had decided that a self-ignition of hay occured. Subsequently, the cantonal judges swept away the appeal requests, and blatantly ignored four scientific expertises. The Judge in Yverdon will refuse to call the scientific experts as my disculpatory witnesses to court. Through this process, justice may well be peverted, but the truth will not be concealed and PITTET will face some unforeseen revelations.*

*You are probably interested by farmers' solidarity to follow the issue of this trial. Obviously you cannot show up as a Member of the Federal Government as an observer at the trial. Separation of powers ! However, you could possibly delegate your brother to attend.*

***Date : Monday, November 27 2017, from 9 a.m. onwards***

***Location: Tribunal d'arrondissement, rue des Moulins 8, CH-1400 Yverdon-les-Bains***

*It may be useful for you, as a Federal Councillor, to become acquainted with the dysfunctioning of the judiciary system, prevailing in reality.*

*Respectfully yours*
