*Ladies and Gentlemen,*

*Herewith I submit to you my appeal against that judgment of November 29, 2017, pronounced by your «Judge » Véronique PITTET-VUILLÈME.*

*As a matter of fact, these are excellent News, since we will have the opportunity to celebrate an appeal trial with all pomp and circumstances.*

*Berne would have remained catholic if the Bernese would not have discovered the trickery of a preacher, forging fake miracles during night in their cathedral . Like that historic shifting, the Vaudois might probably have continued to be ruled and tyrannized by a gang of psychopathic and corrupt magistrates and politicians. The downfall of this rope party of cunnings has become unavoidable.*

*The «Judge» Véronique PITTET-VUILLÈME, with her voice of the actress Laurence BADIE, having been exposed to the pressure of her hierarchy, distinguished herself as an expert in matters of slandering ex officio, by condemning me wrongly for slander, having at hand the evidences that I am denouncing BUDRY correctly and civic-minded as a criminal arsonist and insurance frauder.*

*She got ambushed by the recording of her exploits of November 27, 2017, in spite of her prohibition to do so. We shall take care that the Vaudois people will be informed about that*
