***Petition for placing the KESB under control of citizens' Jurys***  
*Affair Rosenstiel, see [www.worldcorruption.info/eng/rosenstiel.htm](http://www.worldcorruption.info/eng/rosenstiel.htm)*

*Dear Mister National Councillor Luzi STAMM,*

*Referring me to our short meeting on November 27, 2017 in Yverdon, ([www.youtube.com/watch?v=scnQKuZlFRQ&t=445s](http://www.youtube.com/watch?v=scnQKuZlFRQ&t=445s)) I write to you as a MP who cares about the functioning / dysfunctioning of the judiciary apparatus. Former President of the court of Baden, you are an expert in this matter. I thank you in advance to transmit this petition to the competent recipients.*

*The tragedy of the nonagerian Rita ROSENSTIEL, described in enclosed publication incited me to launch this petition to put the KESB under control of citizens' jurys, replacing the traditional ways of appeal, which are inefficient in practice. See presentation of such a system which will be more efficient, faster and less expensive on: [www.youtube.com/watch?v=re590mkXZIA&t=334s](http://www.youtube.com/watch?v=re590mkXZIA&t=334s) You acknowledged it already.*

*In expectation to be invited for a discussion with the commission of petition of the Federal Chambers, I remain truly yours*
