### ***What will you undertake to uphold violence against our elders?***

To you, Pierre-Yves MAILLARD,

*After the crime committed by the «Judge» of peace Véronique LOICHAT MIRA and the «trustee» Jean-Pierre GÖTSCHMANN against Rita ROSENSTIEL, born on February 19, 1924, placing her in January 2014 hastily in a home, the cantonal Court informed that henceforward seniors placed by force in a home were to be assisted ex officio by a Lawyer. Rita ROSENSTIEL was the first person to obtain it. However, her Lawyer, Anne Rebecca BULA betrayed her for allowing the actual President of the cantonal court , Eric KALTENRIEDER*

*to abuse of a state of weakness of the old Lady for extorting against her will the signature an ignominious transaction.*

See [www.worldcorruption.info/eng/rosenstiel.htm](http://www.worldcorruption.info/eng/rosenstiel.htm)

*The authorities have just created an additional market segment for Lawyers, financed by the taxpayers, granting no advantage to old people. It is unacceptable that the violent trustee and thief GÖTSCHMANN enjoyed impunity granted by the judiciary seraglio, and not to have compensated seriously Mrs. Rita ROSENSTIEL for the placement by force into a home and the brutal destruction of her belongings. You received the autobiography of Mrs. ROSENSTIEL by mail of March 15, 2018 as well as the analysis of the ordeal caused by the authorities to smash her: Upon the primary crime (destruction of her household), KALTENRIEDER grafted his fraud. Since than, you are excelling with complete radio silence.*

*You know perfectly as well the torture and water boarding perpetrated by two nurses of APREMADOL / Renens on June 17, 2011 at the costs of the late Jacques ROMANENS : [www.worldcorruption.info/eng/romanens.htm](http://www.worldcorruption.info/eng/romanens.htm)*

*You were informed and did choose to cover your concerned socialist cronies. In cooperation with the Vaudois Prosecutors' Office managed by Eric COTTIER [www.worldcorruption.info/index\\_htm\\_files/gu\\_cottier-e.pdf](http://www.worldcorruption.info/index_htm_files/gu_cottier-e.pdf)*

*You stifled ex officio the murder attempt of a disabled old man.*

*The former wife of the victim, Suzanne SCHAEER did not let herself intimidate. She denounced the horrendous crime and payed heavily for her civism. On March 26, 2018 the Dean of the Vaudois criminal justice, the «Judge» Pierre BRUTTIN [www.worldcorruption.info/index\\_htm\\_files/gu\\_bruttin-e.pdf](http://www.worldcorruption.info/index_htm_files/gu_bruttin-e.pdf)*

*condemned her to 60 days fine. Because of her insolvability, this lively octogenarian Lady with no criminal records beforehand, will certainly be imprisoned. For your regime must whitewash imperatively the guilty individuals by falsifying the facts, be it on the back of a senior person.*

*We do not just denounce crimes of the past. The criminals and their accomplices are still alive. Tomorrow, they can hit again. Other elder persons will become victims of their violences.*

*During a television forecast, one could hear you saying that one has to denounce the plague of mistreatment of old persons, according to the device: «Act as I say, but not as I am doing».*

*In the scandals ROSENSTIEL and ROMANENS you benefitted of the complicity of the big shots of the Vaudois Judiciary – the radical KALTENRIEDER, COTTIER and BRUTTIN. In turn, you tolerate knowingly the corruption in this Canton, which is favouring the Oligarchs, close to the political parties of the right. You are running an unholy alliance with your so called political opponents, betraying the socialist ideals. You represent a caviar socialism.*

***If you want to cease to mislead your electors, there is still time to neutralize the guilty individuals, having them withdrawn from circulation for upholding the violences against senior people.***

*To you, Pierre-Yves MAILLARD*
