Victory of the Truth

To you, Lionel GUIGNARD,

Prior to the event of March 31st, 2018, I did submit on [May 21st 2018](#) to you and to [TINGUELY Michel](#), six star Lawyer and professional querulous a catalog of 20 allegations/questions, demonstrating the plot. But [TINGUELY](#) is just an instrument. Actually, the reported serial dysfunctioning is not profiting to him, but to the criminal judiciary Magistrates.

Yesterday, you were presiding the staging of the 6th trial [TINGUELY](#) c/ [ULRICH](#). 9 observers + 6 young plainclothes Policemen assisted in the public.

Opening of the trial at 9.10 a.m. After the preliminaries, you permittd me to present my [6 incidental requests](#). However, you interruptet me permenantly.

In the center of my plea: the démonstration that the wrong plaintiff had submitted by mail of [December 5, 2011](#) forged evidences. In order to explain the backgrond of the affair, in a transparent manner, I

presented in free speech an extract of the [chronology of the cascade of abusive complaints](#).

Face to face with the eternal plaintiff, I concluded that he is a forger. He avoided deliberately any eye contact. Cour compassion for this crook was evident. You ordered me to look in direction of your table. – During his replica, he stuttered and finally, he lost his train of thought. His lousy explanations did make it easy to me to duplicate.

At 10.20 a.m. you interrupted the audience. At 10.45 a.m., you called us back into the court yard. With an inaudible voice, you wipped out my [6 incidental requests](#) by running throug. When I applauded, you threatened me to expelll me irrevocably from the court. A wasted effort. At 11 a.m., I presented my last words:

The Winner Ulrich,
leaving the court

« The honnest citizens will leave this court, for letting the judiciary criminals ending the day in their privacy. »

Leaving the court hall, I intoned the end of the song of the [partigiano](#).

First, I had decided not to present me in front of your tables. But when you notified to me your order by Policement, I changed my mind. It was too beautiful an opportunity to evidence the proofs of the judicirary crime, of which me and other persons are victims.

[TINGUELY](#) has put into the pipeline already 4 more trials, of which 2 are directed against me. The tarif is 2 months of jail per trial.

I succeder perfectly to obtain victory for the truth. You condemned me for the impossible offense of unfair competition (not being a Lawyer); the existence of a plot is evidenced once more.

Your authority in front of me is a senseless word, Sincerely yours

Gerhard ULRICH of Guntalingen
