Profile

Probably born around 1945, originates from Neuchâtel.

He started his job career as a Lawyer in Lausanne, before being elected Vaudois cantonal Judge for the socialist Party. President of the cantonal court VD in 2006. Retired in 2013.

Although socialist, this Magistrate has practised a justice of class, always keeping low profile. It seems that he never has been a dominant «Magis-rat», but he has accumulated nevertheless a considerable number of judiciary victims in the course of his long career.
