Résumé

On April 23, 2014, the journalist Frederico CAMPONOVO / 24 Heures has denounced the case of Rita Agnès ROSENSTIEL (94 years), placed under guardianship and subsequently placed in the home EMS Nelty de Beausobre in Morges. All her furniture and practically all her personal belongings were sold dirt cheap or destroyed. On January 8, 2015, Jean-Philippe CEPPI of RTS realized an emission about the topic of forced placements:

The public opinion in French speaking Switzerland was upset. Rita ROSENSTIEL, who has great merits as a promoter of arts was showered with messages of compassion.

On November 27, 2013 she was put under guardianship by the «justice of peace» Véronique LOICHAT MIRA, Morges, who ordered the same day her placement in a home, executed on January 18, 2014 by the appointed trustee, Jean-Pierre GOETSCHMANN. There prevailed no urgency at all. Due to her age, her recent memory and her resistance to pressure had weakened, but up to date she is enjoying autonomy for the every days activities (washing herself, getting dressed and moving around). She conserved the discernment, still working every day on her computer. Her physical constitution is exceptional.

Rita ROSENSTIEL filed a complaint against GOETSCHMANN on August 29, 2014, and she launched a civil procedure against the State of Vaud on August 8, 2014, assisted by the lady lawyer Anne-Rebecca BULA. Both procedures ended with a deadlock, thanks to the care of the «prosecutors» Hélène SMITH / Hélène RAPPAZ (penal), and the «Judge» Patricia CORNAZ (civil).

*The Tinguely machine of the «justicery» did produce at least 4,6 kg of documents in the period of 4 years. The case was finally liquidated by a «transaction» dated 24, 2017, prepared by [Eric KALTENRIEDER](#) (at that time vice president) and countersigned by the President of the cantonal court VD, [Jean-François MEYLAN](#) and the Secretary General of the Judiciary, Pierre SCHOBINGER, by which **Rita ROSENSTIEL was cunningly cheated, abusing of the state of weakness of a vulnerable person.** One offered her generously CHF 20'000 for moral wrongs against withdrawal of her penal and civil complaints. The loss of movable assets passed unnoticed. We found the corps in the cellar of [Eric KALTENRIEDER](#). www.worldcorruption.info/eng/rosenstiel.htm*

Other victims of the «Cesar» of the Vaudois judiciary:

Michèle HERZOG – affair of the real estate tycoon, Patrice GALLAND, who bribed the probably most corrupt «Judge» of Switzerland: **Philippe COLELOUGH**. KALTENRIEDER joined the plot with his decision of February 7 , 2018. Rejection of the request of challenge of the justice of peace Carole de CROUSAZ NICOLET, taking decisions since years, without noticing penal offenses to be pursued ex officio, and ignoring the truth. The guarantee to have an independant and impartial Judge is not respected since years.

Gerhard ULRICH : He has denounced a murder attempt at the costs of Jacques ROMANENS, www.worldcorruption.info/romanens.htm a scandal which has been duly stifled by the rope party of Vaudois politicians and State Officers. KALTENRIEDER has joined this plot by his decision 12 JP17.035294-172108 of January 8, 2018.
