REEB was a tyrant by principle.

Bertrand REEB has been one of the first federal «Judges» to be identified by the citizens' initiative APPEAL TO THE PEOPLE to be a hopeless liar (see below).

The lies of the Swiss Federal Court

www.swiss-justice.net/id/mensonges-tf

At the very beginning of the activities of APPEAL TO THE PEOPLE, we got acquainted to judiciary victims having been defeated by arbitrary decisions of the Federal Court. By this way, we obtained certainty that the alleged Constitutional State did not exist in Switzerland, and that the system was absolutely ill.

Early 2001 we had a nice collection of lies implying six federal «Judges». When federal Judges are lying, the mechanism of appeals is destroyed, the Constitutional State ceases to exist. In a message addressed to the Federal Council, dated February 19, 2001, we did document three of such lies of federal Judges.

Message to the Federal Council of February 19, 2001 – see:

Lie 1

In the decision of the Federal Court (ATF) 5P.61/1999 of April 22, 1999, see:

www.swiss-despots.org/doc/3.3

the three federal Judges **Bertrand REEB**, **Sergio BIANCHI** and **Niccolò RASELLI** pretended that the cantonal court of Vaud had invited the applicant **Michèle RYDLO** by registered mail of August 13, 1998 to submit her determinations. But according these Judges, Mrs. Rydlo had failed to collect that letter at the local Post office.

By letter of November 10, 1999 the Swiss Post attested not to have found any traces of such a registered letter. Letter of the Post of Novembre 10, 1999 – see:

www.swiss-despots.org/doc/3.4

Lie 2

The federal Judges **Bertrand REEB**, **Edwin WEYERMANN** and **Sergio BIANCHI** insinuated by ATF 5C.123/1997 of June 30, 1997 that **Pierre-Hubert FORNEROD** had not enclosed to his recourse the decision of the cantonal court VD of March 12, 1997. Decision of the Federal Court ATF 5C.123/1997 of June 30, 1997 – see: www.swiss-despots.org/doc/3.5

The document shown under the next Link

www.swiss-despots.org/doc/3.6

is a copy of the letter of the cantonal court VD of May 15, 1997, addressed to the Federal Court. It is specifying that said decision had well been presented to the Federal Court. This formal evidence is marked by the wet stamp of receipt: "*Bundesgericht – Eing. 16. Mai 1997*".

Letter of the cantonal court VD of May 15, 1997 – see:

www.swiss-despots.org/doc/3.6

Lie 3

The federal Judges **Jean-François EGLI**, **Emil SCHMID** and **Michel FÉRAUD** denied by their decision ATF 1P.598/1994 of October 19, 1994 on page 5 that the letter of contest of the applicant **Blaise GOLAY** to the Municipality of Lausanne, dated June 14, 1993 did exist. The same decision quotes on page 2 precisely this document!

Decision of the Federal Court ATF 1P.598/1994 du 19.10.94 – see:

www.swiss-despots.org/doc/3.7

Everyone of the seven Federal Councillors did receive a folder containing the documented three lies. What we received back, was just a standard text module sent by a secretary, motivating the inactivity of the Federal Council by the separation of powers. The collapse of the alleged Constitutional State had been documented unequivocally, and the Federal Government just assisted without care. ... The Federal Council took the people as fools.
