Role assumed in the affair LÉGERET

L'affaire Légeret – Un assassin imaginaire. Jacques SECRETAN, Editor Mon Village, 2016. Wrongly condemned for lifelong imprisonment.

RÜEDI was a member of the penal division of the Federal Court which did reject one of the revision requests of François LÉGERET, introduced because of the preferential treatment given in favour of his brother Jean-Marc by the judiciary apparatus. This is concerning the ATF 6B-793/2015 of 20.01.15.

RÜEDI has dealt with this case a second time. By ATF 6B_676/2012 of April 24 2017 the Federal «Judges» Monique JAMETTI, Yves RÜEDI and Ivo EUSEBIO rejected the appeal of François LÉGERET of June 27 2015, after 2 years of incubation, concerning the collusion between the Vaudois «Judges» **COLELOUGH / BENDANI**. The cantonal court VD had decided that no further investigation was necessary for determining the date of the beginning of their lover relation, using the often used formula of the «**anticipated appreciation** of the relevance of the means of evidences», which permitted to renounce to the search of the truth. This formula has been taken over as usual also in this case by copy/paste by the Federal Court. For Non-Lawyers, it is an impossibility to appreciate something in advance, which is yet unknown. It is thus a decadent pearl of jurisprudence, or in other words a complete nonsense.

Other victim of RÜEDI: Michèle HERZOG. By ATF 6B_1230/2017 of 06.04.17, RÜEDI has covered the corruption of the real estate player Patrice GALLAND. See www.worldcorruption.info/index_htm_files/gu_colelough-e.pdf

Once more, RÜEDI did participate to take a decision without searching the truth, nor knowing it, since the accounting documents hidden away by Patrice GALLAND have never been requested from him, nor by the Prosecutor, nor the penal Judge.

Studies in St. Gallen. Lawyer patent of Zurich. Doctorate in 2009.

He is described as a brilliant intellectual man, objective oriented, ambitious and disciplined.

Lacking more information concerning this individual, these appraisals are contrasting with the fact that he did let himself become a partner in the judiciary crime at the costs of François LÈGERET, being incarcerated by the Vaudois already since more than 11 years, who never were able to administer the evidence of his guilt.

Since his election to the Federal Court, RÜEDI is covering the corruption.
